HINDUSTHAN COLLEGE OF SCIENCE AND COMMERCE
Ingur, Perundurai, Erode - 639052

HINDUSTHAN EDUCATIONAL AND CHARITABLE TRUST

Established in 1992 with a vision to serve the poor and the needy, the Hindusthan Educational and Charitable Trust (HECT) laid the foundation of its educational journey with the launch of Hindusthan College of Arts & Science (HICAS) in 1998.

Today, HECT has grown into a trusted educational group delivering quality education across engineering, science, commerce, architecture, healthcare, and professional disciplines, with a strong focus on ethics, innovation, and industry relevance.

LEGACY OF HINDUSTHAN

Hindusthan Educational Institutions are recognized for their learner-centric philosophy and outcome-based education that emphasize practical learning and societal impact. With decades of academic excellence and strong industry collaboration, the institutions offer curricula aligned with emerging technologies and global standards. Through innovative teaching, hands-on exposure, ethical values, and career-focused initiatives, Hindusthan Educational Institutions consistently nurture skilled, responsible, and future-ready professionals prepared to thrive in a competitive global environment.

HINDUSTHAN COLLEGE OF SCIENCE AND COMMERCE

Building on the strong educational legacy of the Hindusthan Group of Institutions, Hindusthan College of Science and Commerce (HISAC) was established to deliver quality higher education aligned with contemporary academic and industry demands.

The institution is affiliated to Bharathiar University, Coimbatore, and functions with a commitment to academic excellence, integrity, and regulatory compliance.

HISAC provides a vibrant learning environment supported by experienced faculty, modern infrastructure, and an outcome-based curriculum. The institution emphasizes experiential learning, skill development, professional ethics, innovation, and career readiness, enabling students to excel in higher education, employment, and entrepreneurship.

FUTURE READY PROGRAMME AT HISAC

At HISAC, Programmes are designed to strengthen academic foundations while equipping students with essential future-ready skills. The programme emphasizes experiential learning, innovation, industry exposure, and holistic development, preparing learners for higher education, entrepreneurship, and successful career pathways in a dynamic global environment.

WHY HISAC?

- Quality education for students
- Experienced and supportive faculty
- Future-ready practical skills
- Industry-aligned curriculum design
- Modern campus and infrastructure
- Hands-on training
- Placement-focused programs available
- Value-based ethical learning
- Modern classrooms and infrastructure
- Global career opportunities
