Students Service Centre

One to One Counseling- 11.09.2023

On behalf of Students Service Centre of our college, today (11.09.2023) conducted One to One counseling to the students individually. Students came forward and expressed their inner conflicts and got remedy from their respective staff counselors. This counseling session made students to feel free and made them to get solutions for their issues.

“Emotional wellbeing is just as important to us as Breathing is!”

Total no. of students attended: 6
